who we are

A leader in the tourism sector in Egypt since 1999, ENEV has welcomed 2000 tourists per week during peak seasons, reaching a total of more than 1.7 million tourists since its opening. ENEV has vast experience in operating Nile Cruises and 5 star hotels in addition to designing and executing different types of private and corporate events curated to suit the clients' objectives.

Since 1999

6 Branches

+1.7Mn Tourists

our facilities

With six branches in Cairo, Luxor, Aswan, Hurghada, Sharm El Sheikh and Taba, and a total of 300+ employees, ENEV can ensure the best quality service to its clients through local support in all the key geographical tourist areas across Egypt. ENEV is part of a larger group that includes Etapes Nouvelles for Hotels and Touristic Villages, Le Fayan Nile Cruise, Soleil Nile Cruise, Le Fayan II Nile Cruise and Catering Co. Kitchen.

our services

ENEV offers all required services to clients including airline and hotel bookings, transportation, and a wide range of excursions and guided tours. To ensure the best experience for the client, tour guides are handpicked to provide the best possible fit for the group with emphasis on professionalism, language and communication skills, and history knowledge. In addition, ENEV offers the best rates and services for outgoing tourism to worldwide destinations.

our promise

Our top priority is the safety of our visitors and the quality of the services we provide. We are fully committed to provide our clients with curated experience to suit their vision and objectives, with careful selection of each detail included. Many of the programs we provide incorporate creative out of the box ideas to ensure a unique unmatched experience for our clients.

Le fayan

LE FAYAN

Le Fayan Nile cruise will take you on magnificent journey between Luxor and Aswan on the Egyptian Nile. All along your journey, you can visit all cities between Luxor & Aswan and explore the history of Ancient Egypt. You can relax in comfort in our spacious & luxurious rooms that enjoy floor to ceiling glass windows overlooking the Nile. You can also enjoy Le Fayan services and facilities while indulging in an exquisite experience.
